The Garden State Philharmonic, a 501(c)3 non-profit organization, offers all persons equal access and opportunities to participate in its programs.

Garden State Philharmonic Youth Orchestra

As part of its commitment to education, the Garden State Philharmonic sponsors a three-tiered youth orchestra program to provide young musicians the opportunity to play in an orchestra and receive training to develop and enhance individual musicianship.

The Garden State Philharmonic Youth Orchestra is the only orchestral training program in Central NJ sponsored by a professional orchestra. With three youth orchestras, GSP Youth members receive training from experienced, NJ-certified educators and conductors and perform regularly scheduled concerts. The program's tiered nature permits students to build on their knowledge and advance up the musical ladder. Members come from various schools in Ocean and Monmouth Counties and must belong to their school music programs.

Please silence all noisy electronic/sound-emitting devices. The taking of photographs and the use of recording equipment is **strictly prohibited**. Also, out of consideration for each of the performing groups, we ask that you remain seated for the duration of the concert. Everyone loves to perform for a "full house."

This program is made possible in part by funds from The New Jersey State Council on the Arts, Department of State, a partner agency of the National Endowment for the Arts, the Ocean County Board of Chosen Freeholders, and generous donations from patrons like you!

We would like to take this opportunity to offer our sincerest thanks to the Toms River Regional School District for their continued support of the Youth Orchestra Program.
